Vision: (A Family Revealing God's Grace and Glory)

A spiritual family with Christ as head of the house, overflowing with God's love and overcoming cultural and generational challenges. We live out the life of Emmanuel (God with us) which reveals God's grace and glory.

Mission: (LEAD to BUILD)

In God's grace, based on biblical truth, using God's way and under the power of Holy Spirit:

Love - We love God and people, especially through serving and worshipping our Lord and helping the needy.

Enrich - With mutual respect and appreciation, we bridge all generations to better understand and support each other and benefit from the richness of both languages and cultures.

Abide - Through prayer and outreach, we bring people to God. By having accountability for daily devotions and spiritual disciplines, we connect with Christ together.

Develop - We help each other to live out the abundant life to its full potential in ourselves through discipleship and Christian leadership training

Build - Through building up individuals and families, we make disciples and establish a church which has unity in Christ and reveals His glory to our community and around the world.
